Get the Feeling! Your Gift Makes A Difference

Every year, the WISD band program provides approximately six hundred young people between the ages of 11 and 18 with music and performing-arts skills. The experiences are as varied as participating with the State Finalist Spirit of Waxahachie marching band, performing with one of ten concert bands, including the State Champion WHS Wind Ensemble, choreography and equipment-spinning through the Winter Guard program, UIL-sanctioned solo contests, or the award winning Jazz Orchestra.

A gift to the Spirit of Waxahachie band boosters provides general operating support that enables young people to benefit from these programs. Your gift, combined with revenue earned from participants' fees, fundraisers, and school district budgets assure a high-quality, youth-development program.

Your support makes our students' success possible.
